

Message from the Management Team

Welcome to our monthly newsletter. What an amazing month we had. The staff and children had a brilliant time enjoying the beautiful summer weather and making the most of the new resources and equipment we purchased with the money

raised at our summer fair. We would like to take this opportunity to thank you for your contributions towards this. We have raised a total of £505 and this has been used to purchase two new mud kitchens, one for the under 2s and one for the over 2 year olds, paddling pools and gazebos that helped to keep the children cool.

We would like to thank all the parents and grandparents that have attended the last preschool assembly. We would like to remind you that the graduation for the preschool children that are starting reception in September will be held at Friday 13th July at 2pm at Wilmslow Reformed Church. We will be sad to see our children leave this summer but were confident that they are school ready.

A reminder that preschool 2 children that will be attending the Macclesfield Silk Museum on Monday 9th July.

Lastly the graduation photographs are now available to collect at reception, individuals and group photographs.

Introducing a Member of our Team -

Sophia Chapman

My name is Sophia Chapman and I will be your child's key person. I am an early year's practitioner in sweet peppers.

Working with children has always been my dream which inspired me to become a level 2 in childcare in 2014. I enjoy babysitting and caring for people who are close to me as I love to watch children grow into young adults and learn new things. Working at Pepperberry has also inspired me to move on and start my level 3 in childcare as there is no place I would rather be. I particularly like messy play and baking with the children as I think a messy day is a fun day.

Important Messages

- Please ensure that your children have sun cream applied BEFORE they arrive at nursery. We will apply more as the day progresses prior to the children going outside throughout the day.
- We have sent out our GDPR privacy notice via email, please sign our read and understood form on reception.
- We have lost property in reception, this will be there for one more week only, please check this and take anything that belongs to you before next Friday.
- If your child turns 3 before September you may be entitled to 30 free hours from September. You can apply for this from mid-June please ensure you do this as soon as possible to make sure you don't miss out.

Recipe of the Month: Red Lentil Curry

Ingredients

- 2 tbsp olive oil
- 1 chopped onion
- 1 crushed garlic clove
- 1 tsp turmeric
- 1 tsp curry powder
- 150g red lentils
- ½ tsp chilli powder
- 600ml vegetable stock

Method

1. Heat the oil in a large saucepan and fry the onions until brown and soft
2. Add garlic and spices and stir
3. Add the lentils and ¾ of the stock and bring to the boil
4. Simmer for 30 minutes or until lentils are cooked and swollen
5. Add the rest of the stock if necessary
6. Pile into bowls
7. Serve this with plenty of naan bread

Brought to you by our very own Chef Matthew

Baby Peppers

This month Baby Peppers have enjoyed lots of water play in this beautiful weather. Our book of the month was Titch the Tiddler. We have been looking at animals under the sea, reading lots of stories and hiding our animals in the water. We have been doing lots of painting making lots of fish for our display boards. Our song of the month was Tiny Turtle. We have enjoyed playing with lots of bubbles. We have also enjoyed trips out exploring Wilmslow. Next month we our topic is Summer.

Tiny Peppers

This month in Tiny Peppers we have been looking at different animals for our book of the month dear Zoo. We have been saying their names and noises. We have been on trips to the Local Park and shop to look at nature for our Mary Mary board. We have been looking at lots of plants including the vegetable patch in the garden and watering them. This month we are going to be focusing on 'Peppa goes swimming' for our book of the month and Tiny Turtle for our song of the month. We are ready to explore lots of water play.

Sweet Peppers

Our book of the month has been 'the old steam train' and our song of the month was 'down at the station'. We have been on a trip to the train station to see all the big trains. So we have been using our creative skills to recreate the train station and the tracks. Sweet peppers together have made a big train track and trains using the wooden train set. We then all had a train each and took part in playing on the track. Furthermore we have also had a few visits from fluffy the hamster.

Chilli Peppers

Our book of the month was 'The flashing fire engine'. We made our very own fire engine's using tissue paper and paper. We have been on some exciting trips to Sainsbury's, the park and the train station. We have been exploring water play in the garden and enjoying water fights. We went downstairs and to the decking and picked our very own strawberries to try! Our next book of the month is 'Goldilocks'.

Learn

Enjoy Flourish

Grand Peppers (Preschool 1)

This month our topic was magic, with our book being 'Room on the broom'. We have played with wands, making rhythms with them and decorating them. We have also been making our own potions in bottles choosing and measuring ingredients. We have been filling bottles with magical glitter water looking what number it went up to. We took a checklist outside to find magical objects left by a wizard over a weekend. We celebrated Eid using powder paint and glitter, as well as Father's day making cards. We have also continued to water the plants on the decking picking the fruit and vegetables that have grown. Next month we are looking at holidays, we would love pictures of a variety of holidays and souvenirs.

Preschool 2 Peppers

This month has been just as busy as any other! We have been reading Winnie the Witch and looking at the topic of Magic. We have made wands, written potion recipes, mixed the potions and we even came up with our very own spells! Some of the children have been talking about their favorite book characters and why they liked different parts of the story. We have also had lots of fun with different celebrations, we have celebrated Father's Day making some lovely cards, we have celebrated Eid, making some colorful pictures using glue, powder paint and glitters and we have even celebrated the world cup by making flags, and playing mini matches between preschool pepper children. It has been very exciting. We had a very successful assembly singing our lovely songs and sharing our work. At Pepperberry we like to grow food for the children to explore growth and taste new things. The children have harvested their own potatoes and strawberries and enjoyed eating what they dug up. Next month we will be looking at summer holidays topic and reading Mr Bumps Holiday. Please feel free to share pictures or objects from your own holidays during this topic.
